Tom,

It was great catching up with you yesterday. Per our discussion, OSCP is seeking help with QC for one of our recent meeting transcripts. We discussed this briefly during last week's joint team meeting and Carolyn Kilgore expressed an interest in helping.

Attached is the transcript from the June SACC meeting on asbestos. As you're aware, Diana Wong is serving as the DFO for this meeting. Also attached are the meeting agenda, roster, and list of public commenters. These documents may help with the QC review.

If Carolyn is assigned for this review, we will follow up with her directly and provide additional instructions.

Thanks again.

Steve
